

The Buzz at BRAWA

Volunteers in Action

"Many hands make light work" is a saying that our volunteers use and hear often at BRAWA. We could not do the things we do and get to places we get to without our faithful volunteers. Our shelter is known as one of the best within the state of Kentucky; other shelters come to us, see how our shelter is built, and ask how we keep such a solid volunteer base. We try to keep our volunteers happy. We are so grateful for them and their willingness to give of their time and take action on behalf of and to help in the care of innocent, orphaned animals. Volunteer jobs are not easy, but they are extremely rewarding as they are a huge part in helping to keep the homeless animals mentally healthy and happy. The animals and we here at BRAWA truly appreciate everything volunteers do. Whether it's walking dogs or helping to socialize cats, volunteering is a fantastic way to take part in helping homeless companion animals. People even become friends along the way! Check out these awesome volunteers and consider the possibility of joining us in the future as we all work together to help find animals the furever homes that they all deserve!

New additions: Re-vamp for mothers and kittens and a flower dedication

We recently revamped our setup for cats and kittens and arranged a special space (formerly Critter Corner) for mothers with nursing kittens. This space allows for visitors to view them through the glass of the nursery window and watch their progress as they get strong enough for adoption while also providing less stress on the momma and kittens. Our other revamp for cats and kittens that are already up for adoption includes a move that reduces their already stressful stay at the shelter by allowing them to be further from the dog area.

We also built a planter with flowers under our sign in remembrance of those without a voice as we all continue to use our voices to fight for the welfare of the animals of Barren County and provide them with love, care, and forever homes. We welcome you to stop by and check out these new additions and visit the animals!

Celebrating 18 Years of Cheddar

Anyone who has frequented BRAWA probably knows Cheddar! Cheddar came to us as a stray, young cat and was given a birth date and approximate age. On August 10, we will celebrate his 18th birthday. We knew when he came that with his great personality, Cheddar was the right man for the job. It's a hard one, but someone has to do it. As the working house cat of the shelter, he has charmed, provided great company, and stolen the hearts of many for years now. He lives out his retirement and enjoys catnapping, getting in on some occasional pizza and donuts, and keeping everyone in line. Join us in honoring Cheddar's life and celebrating his 18th birthday!

MISSION STATEMENT

The Barren River Animal Welfare Association is a partnership of caring community members providing a safe haven for homeless companion animals. We provide animals in need with humane treatment and good homes while working to reduce the population of unwanted pets through spay/neuter programs, education, and outreach.

Our 10th Annual Paw Ball: Thank you to all who made it such a success!

We want to send out a massive THANK YOU to our Paw Ball sponsors, attendees, board members, and everyone else involved! This year's Paw Ball at the Barren River State Park featured good food, drinks, dancing, a silent auction, the Cassady Band, and most notably, over \$25,000 raised to help BRAWA help homeless animals throughout the year!
